

**TO: BRAA Exhibiting Artists**  
**FROM: Community Gallery Exhibiting Committee**  
**RE: Request for gallery exhibit space for 2021**

We are now receiving requests to exhibit in BRAA Community Galleries in 2021. All requests must be received by **Friday, September 18**. **Following the process used last year, gallery assignments will be made by the Gallery Coordinating Committee based on perceived fit between the artist's work and the gallery space allotted. Your preferences will be considered but not guaranteed. Preference also will be given to artists who work in some volunteer capacity for BRAA.** The BRAA Community Gallery program is a win- win for both the businesses who display the art and our artists who receive exposure (and possible sales).

A Gallery Chair for each individual gallery will work with the assigned artists to ensure a smooth transition between removal of the current exhibit and the display of the next exhibit.

At the Artful Lawyer (TAL), there is the added possibility of showing small wearable items in a locked glass case, other 3-D items on glass shelves, as well as 25 linear feet of wall for 2-D work. This allows for 3 artist's work to be show at one time.

You may request more than one gallery exhibit quarter. Please indicate which time periods you would be available for showing and return this form with your preferences to periods you would be available for showing and return this form with your preferences to [CommunityGalleries@blacksburgart.org](mailto:CommunityGalleries@blacksburgart.org)
